

Polling Management System

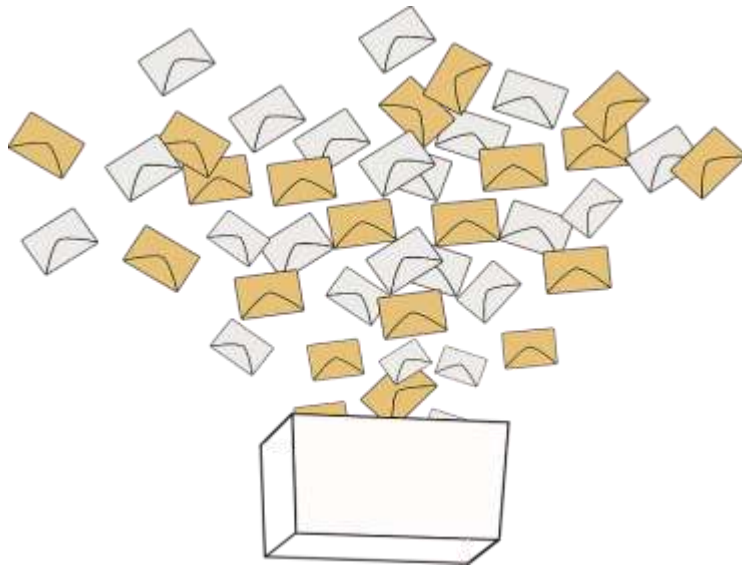

Polling is the act of voting in an election.

When a person or a political party polls a particular number of votes in an election, they receive that number.

Sector/Zonal officer is a person responsible for 10-12 polling stations (Sector). He may be drawn from all permissible departments of preferably the state, and where possible, central government. He is appointed by District Educational Officer (DEO).

Presiding Officers are responsible for conduct in their polling station and must have a good knowledge of the voting procedures. As a Presiding Officer you will be responsible for complying with all instructions and ensuring the integrity and secrecy of the ballot

Presiding officers needs to calls zonal officers and update them about the voting count at frequent interval of time. Instead, using this app officers can easily send the count at various interval of time. And the Zonal officers can get the data immediately with ease.
